Academic Listening Strategies: A Guide to Understanding ...

Listening strategies. Two processes are involved in listening. Top-down listening uses background knowledge and contextualizes words to aid comprehension. Bottom-up listening uses sounds, words, and other small units to create meaning. These processes are complementary; listening for only the big picture but not the details is as ineffective as trying to understand every single word your lecturer says. Top-down listening strategies. Before lecture, review and predict lecture topics.
