My first acquisition was copy of The Companion Guide to Family Tree Maker 2012 and this helped tremendously. I then purchased a copy of Beyond the Basics--A Guide for Advanced Users of Family Tree Maker 2012. Perhaps that is where the "rub" is, I am not advanced enough even though I have been using the software fro more than two decades.

SEP Reference Chart | Beyond the Basics

Beyond Basics began in the spring of 1999. It started as a coat donation project in one of the urban elementary schools, in the Detroit Public School System. Our involvement in the school helped us see the perspectives of the students in extreme poverty. The deprived living conditions, as well as the injustice between the suburban and urban school districts in public education, opened our eyes.
