The novels that the great Italian writer Alberto Moravia wrote in the years following the World War II represent an extraordinary survey of the range of human behavior in a fragmented modern society. Boredom , the story of a failed artist and pampered son of a rich family who becomes dangerously attached to a young model, examines the complex relations between money, sex, and imperiled masculinity.

### Boredom by Alberto Moravia, Paperback | Barnes & Noble®

I never believed Moravia really wanted to die (and he would express the wish in an offhand tone, as if saying "I could use a cigarette"); but I did believe he was bored, and boredom—like idleness, its sister vice—was something he disliked, even feared.

It is in fleshing out the emotional terrain found when men and women interact, and revealing the ways that sex and money complicate it, that Moravia soars. A representative work in Moravia's oeuvre is his 1960 masterpiece, *La Noia*. The title has been translated both as *The Empty Canvas* and *Boredom*, but the book might also be titled "Possession." The narrator, Dino, is persistently and irrefutably locked within boredom, a condition he defines as perfect estrangement from the world ...
