The history of the civil rights movement, William Chafe says, has been told mostly in terms of its highlights—Brown vs. the Board of Education, Little Rock, Selma, et cetera. In his new book he focuses instead on the attitudes and changes in one Southern city over a period of thirty years—1945 to 1975.

The civil rights movement, which began in earnest in the 1950s, was born when African Americans demanded that they be given equal protection under the law. Their demonstrations set the stage for other groups to begin agitating for new laws as well. Today, we take such freedoms as the right to privacy and freedom of speech for granted.
