What is environmental cultural studies.  
Symposium on Environmental Cultural  
Studies, FES (York University) 2006 My  
involvement with environmental cultural  
studies owes a great deal to Alex Wilson,  
a close friend and colleague who died in  
1993. A PhD dropout from U of T, Alex  
was an

## **What is environmental cultural studies**

The environment is perhaps most  
misunderstood as a static place,  
somewhere "out there," separated from  
the practices of our everyday lives.  
Given this assumption, environmental  
movements and concerns have  
remained mostly marginalized or  
denigrated in cultural studies  
publications, conferences, and  
presentations.

Majoring in Society and Environment.  
Social and environmental problems are  
deeply intertwined. The Society and  
Environment (S&E) major introduces  
students to the main approaches and  
theory for environmental social sciences,  
including how social science tools can be  
applied to environmental problems, and  
how social science theories contribute to  
understanding environmental problems.
