Take the milestones and markers you'll often see on rural roadsides. They're modest relics of an explosive chapter in Welsh history, when the building of toll roads provoked widespread protest and rebellion - including the famous "Rebecca Riots", when men disguised in women's clothing smashed the hated tollhouses by night.

Fantastic history of the region of Britain we call Wales' by one of Wales greatest historians. I learned a LOT I didn't know and expanded views on things I had heard of or read about elsewhere. Gwyn Williams put events in context in ways I didn't and probably couldn't have, to give a great, expanded history of Wales.

**When Was Wales: A History Of The Welsh by Gwyn Alfred Williams**

There isn't another country we know of that offers such a range of attractions; from castles and museums through to our world recognised beaches. Wales is a small country, which means you don't have to go far to find something new and interesting to discover. In fact, you don't have to go much further than this page.

As its own nation, "only one king in Welsh history is called good." (54) Medieval boasts of bards and kings gain Williams' cold scrutiny. Trapped by complicated "kindred" demands to share power and wealth among relatives, feudal Welsh rulers competed among each other and against the always encroaching Saxons-- their longest if not their only foes.

**When Was Wales?: A History of the Welsh: Williams, Gwyn A ...**

The 5,308-square-metre (57,100 sq ft) Senedd building was opened by Queen Elizabeth II on 1 March 2006, St David's Day, and the total cost was £69.6 million, which included £49.7 million in construction costs. The Senedd building is part of the Senedd estate that includes Tŷ Hywel and the Pierhead Building.
