Journal entry for sale of merchandise - Play Accounting

A sales journal entry is a journal entry in the sales journal to record a credit sale of inventory. All of the cash sales of inventory are recorded in the cash receipts journal and all non-inventory sales are recorded in the general journal.

Sales Journal Entry | My Accounting Course

What is a sales journal entry? A sales journal entry records a cash or credit sale to a customer. It does more than record the total money a business receives from the transaction. Sales journal entries should also reflect changes to accounts such as Cost of Goods Sold, Inventory, and Sales Tax Payable accounts. To create a sales journal entry, you must debit and credit the appropriate accounts. Your end debit balance should equal your end credit balance.
