establish relationships between health coverage levels using the Milliman Health Cost Guidelines—Reinsurance. These guidelines contain rating structures for reinsurance used with fee-for-service or managed care plans provided to commercial or Medicare enrollees.

Health Cost Guidelines Suite | Milliman | India

Milliman criteria or care guidelines are a set of health care standards and clinical practices that help determine the preferred course of treatment in medical situations. The standards appear in the Milliman Care Guidelines and encompass extensive research and analysis of treatment results that health care practitioners submit.

What Are Milliman Criteria Guidelines? - Reference.com

Milliman Care Guidelines, or MCG, are clinical guidelines to help providers and health plans make decisions about patient care, according to MCG. These guidelines offer guidance for handling a variety of different medical conditions, including diabetes, heart failure, pneumonia, asthma and chronic obstructive pulmonary disease.
