Allerby from Maryport. The clues are subtle but when they all line up through several fields then the line of the road can be regarded as certain. This alignment is aiming directly for the A596 at Westmoor End and Propect Village so even though the lidar runs out before then we can be confident of its destination.

Maryport is world famous in Roman studies for the remarkable series of altars dedicated to Jupiter that have been unearthed at the site (and now on display in the Senhouse Museum). Most of these were discovered in 1870, but Ian and Tony's team found another at the same location in their 2012 season.
