Stilicho The Vandal Who Saved

The Western Empire was finally giving way under pressure from external threats, especially from Germanic tribes crossing the Rhine and Danube, as well as from seemingly ever-present internal revolts and rebellions. Ian Hughes explains how a Vandal (actually Stilicho had a Vandal father and Roman mother) came to be given almost total control of the Western Empire and describes his attempts to save both the Western Empire and even Rome itself from the attacks of Alaric the Goth and other ...

Stilicho was a late Roman general with a Vandal father, hence "Stilicho the Vandal". He wielded power as regent for a young (and later weak) emperor. After he was assassinated in 408 the Visigoths would more or less immediately sack Rome; so the "Vandal who saved Rome" is true in only the narrowest of contexts, and the book reads like a tragedy as it heads towards disaster.

Flavius Stilicho was a high-ranking general in the Roman army who, for a time, became the most powerful man in the Western Roman Empire. He was half Vandal and married to the niece of Emperor Theodosius I; his regency for the underage Honorius marked the high point of Germanic advancement in the service of Rome. After many years of victories against a number of enemies, both barbarian and Roman, a series of political and military disasters finally allowed his enemies in the court of Honorius to

Stilicho - Wikipedia

"The Vandal Who Saved Rome" might well catch the eye of a casual browser in a bookshop, but it certainly is not very accurate. As noted above, it is very hard to accurately describe Stilicho as a "Vandal" in anything but the loosest sense. But "Who Saved Rome" is an even bigger stretch.
