IFTF: What We Do

Simply put, a strategic plan is the formalized road map that describes how your company executes the chosen strategy. A plan spells out where an organization is going over the next year or more and how it's going to get there. Typically, the plan is organization-wide or focused on a major function, such as a [...]

Why is a Strategic Plan Important? - dummies

Strategic Foresight is a concept I deem synonymous with Corporate Foresight. It is about mirroring the possible and potential futures against the understanding of organization-specific capabilities, and those of one's competitors.
