wgu is universally compatible past any devices to read.

Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

It does not make any sense - it seems like WGU is adjusting to a phenomenally high pass rate and is experimenting with the test questions to find the right difficulty level. But a few tips and tricks from my attempts and other posts: There are always 2-3 questions on Stegaanalysis and Steganography. So memorize them.
