The Harrowing was a pretty good book to read around Halloween. It was nicely scary, and the story idea was quite interesting. Ms. Sokoloff integrated Jewish creation lore into this story. I thought that it gave this story an individuality for a ghost story/supernatural horror story. This was a major strength of this novel.

4 out of 5 stars. Even covered in a sheet, Affleck exudes heartache in David Lowery's gorgeously sad tale of love and loss

## **A Ghost Story review - Casey Affleck is truly haunting ...**

Since times of old, ghost stories—tales of spirits who return from the dead to haunt the places they left behind—have played a key role in the folklore of many cultures around the world. Tales of spirits and apparitions, headless monks and white ladies, have spanned throughout the ages, a constant delight for those of us who love nothing more than a good shudder on the darkest of nights.
