The video above shows you where the coolant reservoir in your Touareg is located and how to add coolant. Be sure to check your owners manual to determine the correct type of fluid to add - for Volkswagens, it will typically be in a section titled Fluid Capacities in the back of your manual. Mix the coolant with distilled water so that you have a combination of 50% coolant and 50% water. Some coolants will come premixed-that is, you don't need to add any water. These coolants will typically ...
