Wheres The Hen

Toddler-PreS—Felt flaps conceal a pig, cow, sheep, and a hen in a series of colorful farmyard scenes that have viewers searching for animals. The final spread asks, "And where are you?" and depicts the four creatures facing a flap in the shape of a house behind which lies a mirror.—Daryl Grabarek, School Library Journal

They are so sweet.(The chickens) People should know where their food comes from anyway. The hen turns part of the cloaca (vent) and the last segment of the oviduct inside out, "like a glove." The egg emerges far outside, at the end of the bulge. So it cannot contact the walls of the cloaca and get contaminated by stools or urine.
