'Writer-talk' is most helpful when focused on the purpose and audience of a piece of writing (that is, its intended effect on the reader). Although it will often rightly and importantly consider choices made at word and sentence level, these always need to be seen in this text-level context.

Talk for writing - University of Cambridge

In a nutshell, sentences act as cohesive bundles of words that make sense together, and that can be threaded together to tell an informational or entertaining story. And that means focusing less on sentence fragments, independent clauses, comma splices, run-on sentences, etc. and focusing on context.

If you pay attention to how you talk, you'll notice that shorter sentences sound way more natural. Sentences shouldn't be too long or you sound like you're droning on, taking emphasis away from your point. I've found sentences of 20-25 words to be the max length most sentences should be, unless it's a list.

How to Write Like You Talk: Becoming a Relatable Writer

A great sentence verbalizes ideas clearly and efficiently, establishing effective communication through writing. The content of a sentence and how it's structured determines if it's good—but a complex sentence doesn't necessarily mean it's well-written, and a short sentence can say just as much as a long one.
